SOUTHEASTERN REGIONAL  
SCHOOL DISTRICT  
LIBRARY

#### TO THE CLASS OF 1984

It is hard to believe that we are closing another year and preparing for graduation. It seems as though it was only a few weeks ago that you entered this school, harboring all kinds of anxieties as to what was ahead. That is all behind you now. Your new anxieties are to secure employment and put to work the skills and knowledge that you have acquired here at Southeastern Technical Institute. All of you, I am sure, have the training that will help you to become successful in your chosen field.

May I personally congratulate each of you on your graduation. The staff and I are proud to have been instrumental in bringing you to this plateau in your lives.

Wishing you the best of luck and a fruitful life, I am  
Sincerely yours,

Robert W. Magner, Director  
Post Secondary Education

### TO THE STUDENT BODY:

The Student Council feels that this has been a great year at the Technical Institute. The Council members have worked very hard to raise money to help defray the cost of the yearbook as well as providing a sense of unity thru out the school. We have sold toothbrushes, baked cakes, sold sweat-shirts and secured sponsors to help bring the cost of this book down. Aside from raising money, the Council has provided the Student Body with a Christmas party, the T.I. Luncheon, T.I. Ski trip, decals, soda, and most of all this book. It has been a lot of work but also very rewarding. We hope that you have enjoyed the efforts.

# TI. Luncheon

A black and white photograph showing a large group of people, primarily women, seated in a room. They are arranged in rows, facing towards the front of the room. The individuals are dressed in mid-20th-century attire. The room has a simple interior with a whiteboard or screen visible on the left wall. The overall atmosphere suggests a formal or semi-formal social gathering or event.

A black and white photograph of five people sitting at a table in a restaurant. From left to right: a woman with curly hair, a man with a beard and mustache wearing a vest and tie, a man with dark hair, a woman with long hair, and a man with short hair. There are several bottles and glasses on the table.

A black and white photograph of a young man with dark, wavy hair, wearing a light-colored button-down shirt. He is looking down at a white bowl he is holding with both hands. The background is dark and out of focus.
